

Make  
2019  
your year.

*Technology Females of the Future*

*Venue: PwC Belfast Office*

*Date: Wednesday 3<sup>rd</sup> July*

- *Are you thinking about your future?*
- *Are you considering a career in technology?*
- *Do you want to be inspired?*

*If the answer to these questions is yes, our day long Technology Females of the Future programme will support you in developing your confidence and resilience, inspiring you to understand your skills and help you navigate potential career opportunities with us. Find out more information about our **Technology Degree Apprenticeship** in collaboration with Queen's University Belfast and let us show you what a potential technology career at PwC could look like.*

## **Who's it for?**

*The programme is a one-day event held at the PwC office in Belfast and is open to all 5th year and lower 6th students, regardless of gender.*
